### MISSION STATEMENT

The AAA Pregnancy Resource Center is a Christ-centered ministry dedicated to the sanctity of human life. We provide resources to promote life, teach God's design for sexuality, and provide counseling for post-abortion healing.

## Men to Men Reboot!

We have a new vision for moving forward with the ministry to fathers. We are opening up new services in three key areas specific to men. First, we will be offering in person and online classes in subjects related to fatherhood. Secondly we will be offering one-on-one coaching, and guidance to young fathers. An emphasis on relationship and fellowship will be the main goals. Stay tuned for details on a new men's ministry man-cave! The third part of our reboot will be providing incentives for participation, very similar to our material goods program for mothers.

Fathers will be able to participate in the new Men's Store that will provide things like; diapers, wipes, formula, baby food, backpacks and personal hygiene products selected just for men! We are very excited about this new vision and this practical way to get young fathers excited about fatherhood.

*"I retired last year but with a little nudging from the Holy Spirit I spent the first quarter of 2023 visiting other centers with men's programs and saw all the successes."*

John Penrice, Men's Ministry

## Men to Men 2.0

### How can you get involved?

The ultimate goal is to have a client advocate for the men at the center during the hours of operation. The strategy has been to encourage all female clients to bring their partner to the center when they had an ultrasound appointment. While the mother was preparing for the ultrasound the male client advocate would meet with the father. Every time a man comes to the center, he too should have an opportunity to be heard, to learn, be coached, and earn points.

To accomplish this we will be recruiting and training 12 male client advocates, currently we have four. The client advocates will have several ministry opportunities, from working directly with young fathers, or they can serve as a speaker at local churches to talk about our re-designed ministry.

We ask men to commit to 2 hours a week for one year. Of course, all are free to commit to another year after completing the first. If you are interested in joining this vital ministry please reach out to:

St. Aiden Catholic church participated in Right to Life's 2000 Crosses program. The crosses represent half the human beings who are lost to abortion in a single day in the United States alone.

## Abortion Pill Warning

By promoting medical abortion, big pharmaceutical companies are now cashing in while women are further separated from genuine health care. In the absence of a doctor's care, abortion pills are simply not safe. Nationally, Mifepristone has been associated with dozens of deaths and hundreds of life-threatening complications that we know of .

Expanding “abortion care” has been preferred over women's health. Accessible “abortion care” without common sense safety measures is not care at all.

AAAAPRC has a long history as a trusted confidential non-profit that provides resources and medical services to families touched by an unplanned pregnancy. Early ultrasound, and accurate gestational dating by highly qualified staff intervene at the earliest days of a pregnancy.

## PEGGY'S MESSAGE

I would like to extend a huge thank you for the encouragement and support that we receive from so many of you on a consistent basis, we all appreciate that you take the time to drop us that message. Also, a thank you for your patience during these past few months. There have been many times that we have been understaffed in the administrative departments due to unexpected serious illnesses. So many of you have been incredibly understanding, patient, and prayerful, and that is appreciated, thank you.

*"This service that you perform is not only supplying the needs of the Lord's people but is also overflowing in many expressions of thanks to God. 2 Corinthians 9:12*

The summer is beginning to wind down, some staff members have returned to their duties and we look forward to resuming to a more routine schedule for everyone.

We are excited to onboard a new medical team and we will share more about that in the next edition of this newsletter.

We are busily preparing for the largest event in the history of The AAA Pregnancy Resource Center, the 50<sup>th</sup> anniversary banquet fundraiser, featuring, Dr. Ben Carson. This will be an event in which we will celebrate and honor our Lord for His faithfulness over these past 50 years!!!

I am excited for the future of this ministry as I see so many new names registered for this event. New, potential partners. This work is important, this work saves lives...it is pleasing to our Lord and you are planting seed for the harvest.

*"Now he who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your righteousness. 2 Corinthians 9:10*

SEATS are still available and, **we have added a second event**, in partnership with Faithtalk Detroit radio station, **this allows everyone to reserve a seat!!** Please share this information and please visit the websites for information: [friendsofaaprc.org](http://friendsofaaprc.org), or [faithtalkdetroit.com](http://faithtalkdetroit.com)

WE KNOW THAT AN UNPLANNED PREGNANCY CAN BE SCARY AND MANY WOMEN MAKE DECISIONS TO ABORT WHEN THEY ARE TERRIFIED AND STRESSED. WE KNOW THAT SOME TIME, MANY WOMEN CHANGE THEIR MINDS ABOUT A CHEMICAL ABORTION.

**IT MAY NOT BE TOO LATE TO SAVE YOUR PREGNANCY.**
